

Learning to spell has never been so motivating!

KEY FEATURES

- Installs quickly
- Easy to use—students just ‘click and go’
- Self-paced, individual or small group use
- Diagnostic testing
- Animated explanations
- Extensive range of exercises and activities
- Ingenious spelling checker
- Teacher's Section with detailed pupil records and ‘electronic blackboards’

Set in the familiar format of a children's TV show hosted by two enthusiastic and appealing cartoon characters: Hamish McGee and Gale Rio, this feature packed CD makes learning the essentials of spelling interesting and fun. Includes an ingenious spelling checker that not only tells children when they have made a mistake, but more importantly, shows them exactly where they went wrong.

Hamish's entertaining, animated explanations help children understand a wide range of spelling rules and exceptions.

Penalty Shoot Out: one of the seven exciting activities for pupils to practise and consolidate their learning. If pupils spell words correctly they score goals.
