

## Learning Resources

### **Adventures Of Safety Frog: Tornado Safety**

In a fun way, Safety Frog teaches children how to stay safe during emergencies such as tornadoes. Shows what to do when a tornado warning occurs - at home, school, in a public place, or in a car.

Early Years, Ages 6 to 8  
10 minutes, order 1-9981-IN

### **Adventures Of Safety Frog: Fire Safety**

Animal puppets bring vital fire safety rules to children in an entertaining, and easy to remember way. Georgette is an ordinary puppet frog until her friends, Louie, the dog, and Dicky, the duck decide that since they are seven and a half, they are old enough to play with matches.

Georgette transforms into Safety Frog and prevents her friends from following the match puppet's advice to "light up my light". Safety Frog also instructs the puppets about smoke detectors, safety for fireplaces, and a home fire drill. Safety Frog picks up her Magic Fly Swatter to fade to a scene of a classroom demonstrating a proper school fire drill. This performance by the Schiffelly Puppets, complete with a Super Man Spoof, will appeal to elementary school children.

Early Years, Ages 6 to 8  
10 minutes, order 1-9982-IN

*From bicycle safety to electrical safety, a comprehensive listing of our video resources to support virtually any accident prevention program from Ages 6 and up.*

### **Bicycle Rules Of The Road (2nd Edition)**

A bicycle is a vehicle and subject to traffic laws. Identifies six of the most common traffic violations that result in bike accidents. Death and permanent injuries can be prevented by wearing helmets.

Ages 6 to 8, Ages 9 to 11  
16 minutes, order 1-9854-IN

### **Emergency Services: Hotline To Help!**

Children are shown summoning help in dramatized scenes of illness, fire, and attempted break-ins. Shows a community's emergency team and a visit to a 911 dispatch centre. Discusses prank calls.

Ages 6-11  
19 minutes, order 1-9851-IN

### **Fire Fighters And Fire Safety For Kids**

Watch firefighters in action! Actual footage teaches kids the importance of team work and fire safety. Highlights the crucial role of firefighters and rescue personnel.

Fire safety techniques include: calling 911; installing smoke detectors; planning two emergency exits; procedures in a fire emergency.

Ages 6-11  
15 minutes, order 1-8883-IN

### **Grandpa Joe's Secret (Juvenile Firesetter)**

Designed to teach children young children respect for fire, and to help them realize fire's destructive powers. Among the topics covered are: matches and lighters are tools not toys; all fires start small and spread fast; and fire is very powerful and can hurt you and others.

A child is never too young to learn the dangers of playing with fire. *Grandpa Joe's Secret* teaches respect for fire and helps children realize fire's destructive powers. The program can be used as a trigger film to discuss fire safety rules, or as an essential part of a juvenile firesetter program.

Ages 6 to 8  
12 minutes, order 2-5075-IN

### **Help (What To Do In An Emergency)**

*Goodbodies Series*

Find out where to turn in different emergency situations. Visit a fire house to learn about fire safety and understand why you need to get out and stay out. Learn to "stop, drop and roll". Travel to a 911 headquarters to explore what happens when a call comes in. Meet police officer Judy to learn what to do if you get lost.

Early Years, Ages 6 to 8  
15 minutes, order 5-4919-IN

# Accident Prevention for Youth

## Learning Resources

### Juvenile Firesetter Intervention & Prevention

**G**ives the basics of how to start and maintain a juvenile firesetter program and points out the need for cooperative community action.

This program describes the types of firesetters and the motivations behind their behaviour. It gives guidelines on interviewing, evaluating and referring juvenile firesetters and their parents, and offers ideas for specific intervention strategies proven effective by successful fire departments.

It is an excellent program for: (1) An inhouse training program and (2) A motivational program to gain support from community audiences for your department's juvenile firesetter program.

Adult, Professional  
12 minutes, order 2-5074-IN

### Latchkey Kids

**I**nformation to prepare a child: reviews fire safety; responding to strangers; general household safety.

Ages 9 to 11, Ages 12 to 14, Adult  
15 minutes, order 2-5038-IN

### Loud Music And Hearing Loss

**A**fter watching this video, even die-hard music fans, those that listen to their music loud, will have all the information and support they need to do what's necessary to save their hearing.

Metallica's drummer, Lars Ulrich, is interviewed at length regarding the permanent hearing loss he sustained as a result of repeated exposure to loud rock music.

"Listening to loud music without protection may seem like a cool thing to do in the short run," he says, "but sooner or later it will come back to haunt you."

State-of-the-art graphics detail the physiology of the ear and shows how listening to loud music causes irreversible damage to the tiny hair cells essential for clear transmission of sound to the brain.

Ages 12-18, Adult  
15 minutes, order 1-8967-IN

### McGruff And Gun Safety

*McGruff The Crime Dog Series*

**S**cruff tells his uncle McGruff that a friend has found a gun in a closet and wants him to come over and check it out.

McGruff advises his nephew of the dangers of guns, pointing out how children are hurt or killed in gun accidents. Scruff learns that, if he sees a child with a gun, he should get away as fast as possible and tell a responsible adult. McGruff shows his nephew several cases where children get in big trouble by playing with guns.

His bottom line message is kids must make themselves responsible for not handling guns under any circumstances period.

Ages 9 to 11, Ages 6 to 8  
15 minutes, order 1-8752-IN

### McGruff On Dangerous Strangers

*McGruff The Crime Dog Series*

**M**cGruff and his nephew Scruff are concerned about the disappearance of a neighbourhood child. This sparks a discussion about the definition of "stranger" and prompts McGruff to review practical ways children can stay safe on the way home from school. The story ends happily when the missing child is found unharmed.

The fully-interactive CD-ROM version features full-motion video and a variety of fun and engaging safety-related games.

Ages 6 to 8  
15 minutes, order 1-8751-IN

### McGruff On Halloween

*McGruff The Crime Dog Series*

**G**ives kids plenty of tips that will make Halloween both safe and fun.

Ages 6 to 8, Ages 9 to 11, Adult  
14 minutes, order 1-8212-IN

### McGruff On The Law: Bicycles And Pedestrians

*McGruff The Crime Dog Series*

**B**ikes are fun but it's important to handle them safely and responsibly. McGruff explains why laws protect bicyclists and other people showing the safety points children should remember, whether on a bike or not.

Ages 6 to 8, Ages 9 to 11  
17 minutes, order 1-8463-IN

### McGruff's Self-care Alert

*McGruff The Crime Dog Series*

**R**ecommended, Saskatchewan Education, Health Education, A Bibliography for The Elementary Level: Grades 1 to 3: Safety

Experiences of children who have learned to protect themselves at home alone; suggestions to deal successfully with loneliness.

Ages 6 to 8, Ages 9 to 11  
17 minutes, order 1-8211-IN

## Learning Resources

### The Mystery Of Home Hot Spots

Red the Firedog and his friend Lucy tell the story of how they solved the problem of the Hot Spots.

The purpose of the tape is to teach young children about common fire and burn hazards in and around their homes. This exciting program encourages kids to take an active role in helping their parents conduct a home inspection. Children will gain an understanding that fire prevention is a responsibility of every person regardless of their age.

Lovable puppets, colourful graphics, original music and a young girl help to create a fun-filled mystery adventure.

Ages 6-11  
16 minutes, order 2-5130-IN

### The Neglected Generation

*Healthy Living: Road To Wellness*

According to experts, nearly half of American adolescents are at high or moderate risk of seriously damaging their life chances due to neglect.

This powerful program explores the state of adolescent America and gives students insight on how families, communities, government, business and media can better serve youth.

Ages 16 to Adult  
30 minutes, order 5-4967-IN

### Poisonous Plants

The dangers of a wide range of familiar plants are identified in this informative safety film. The hazards of touching or eating the leaves, fruit, seeds, or stalks of common houseplants, yard plants, wild plants, and even certain food plants is examined. Ways people harm themselves while on vacation, such as roasting marshmallows on a stick cut from a poisonous plant, for example, are pointed out. Special concerns regarding poison oak and poison ivy are described.

*Also available in Laser Videodisc.*

Ages 12-18, Adult  
12 minutes, order 1-8033-IN

### Red The Fire Dog And The 3 P's Of Fire Safety

This entertaining and memorable program designed for young children teaches kids everything they need to know about fire safety. Features *Red the Fire Dog*, a puppet complete with fire hat, who explains a family fire plan, how to prevent fire in your home, and protecting yourself.

Early Years, Ages 6 to 8, Ages 9 to 11  
15 minutes, order 2-5135-IN

### Riding Your School Bus Safely

A common sense approach to student safety on school buses.

Explains the reasons for various safety rules and demonstrates the results of ignoring them. Also covers the safety implications of healthy driver-student relationships.

Ages 12 to 14  
14 minutes, order 1-8859-IN

### Safe Babysitting

How to be a prepared, professional babysitter. Includes preventing injury, medical and fire emergencies, guidelines for home security.

Ages 12 to 14  
15 minutes, order 2-5096-IN

### Safety At Home: Electricity

Ages 16 to Adult - Covers all aspects of safe use of electricity in the home.

Ages 15 to 18  
20 minutes, order 1-9837-IN

### Safety Rules And You

Teaches children basic safety rules for home, school and play. Stresses that they are responsible for their own safety and for that of others around them.

Ages 6 to 8, Ages 9 to 11  
15 minutes, order 1-8233-IN

### Safety Rules For School (2nd Edition)

Safety Gremlin guides Skids through safety rules, on the way to school, inside school and in the playground, and intervenes in a number of near-accidents to help children understand good safety rules.

Ages 6 to 8, Ages 9 to 11  
11 minutes, order 1-9805-IN

### School Bus Safety: Riding Cool To School

An introduction to proper school bus behaviour for young passengers. Explains why students should obey the rules and maintain a respectful relationship with the driver. Also includes a variety of related safety tips such as recognizing the danger zone around the school bus and memorizing one's home phone number.

Ages 6 to 8, Ages 9 to 11  
15 minutes, order 1-8858-IN

### Seat Belts Are For Kids Too

Children are shown how to wear seat belts correctly and why the shoulder and lap belts give greater protection than a lap belt alone. Meet "Safety Frog" and a carload of colorful puppets who learn to "buckle up".

Ages 6-11  
10 minutes, order 1-9921-IN

10 minutes, order 2-3139-IN

#### Smokey's Fire Safety Tips

Kids everywhere love Smokey the Bear! In this delightful live action story, Smokey teaches young children a valuable lesson about playing with matches.

Lt Allan Spurrell, Fredericton Fire Dept reports: *"We instituted a program in our schools where we have assemblies for Grades 1 to 3 and we show Smokey's Fire Safety Tips. It's excellent – I can't say enough about it! The kids have really responded to it. They like Smokey and they like the use of animals in the video, and I think they really do get the message about fire safety. We also use it with the local day care centres and find that it's quite a hit with the kids there."*
